

# Global Talent Visa

(Subclass 858)

The Global Talent Independent (GTI) Program is a program designed to attract skilled migrants at the top future-focussed fields to Australia. The program provides a fast-tracked pathway to permanent residency for highly-skilled individuals.

## Eligibility

You must meet the criteria below:

- Highly skilled in one of the priority sectors:
- Have an international record of outstanding achievement in your field
- Your expertise would be an asset to Australia
- Nominated by an Australian person or organisation with a reputation in the same field
- Potential to earn above AUD 158,500

## Step 1. Expression of Interest

The first step is to submit an Expression of Interest which is assessed by a Global Talent officer. The EOI outlines your internationally recognised record of exceptional and outstanding achievement. If successful, the Department will issue an invitation to apply.

## Step 2. Visa Application

Once invited, prepare and submit a visa application online or as a paper application, depending on your circumstances. The application must be supported by an Australian nominator who can attest to your international record of achievement and the contribution you will make to Australia.

## Processing Times

This is a competitive process, invitations are usually issued in 1 – 3 months, and the visa is priority processed within 1 – 2 months.

## What happens when the 858 visa is granted?

This is a permanent visa which allows you and your family to remain in Australia indefinitely. If you are outside Australia when the visa is granted, you and your family members will need to enter Australia for the first time prior to expiry of your health and police clearances.
